

Making the poster:

Eri: So here is all the information. How shall we organize it?

Tina: Like this? It looks kind of boring.

Kota: We need to attract attention. Let's add illustrations or pictograms here.

Hajin: I agree.

Tina: OK, who can draw? I'm not good at drawing.

Kota: Me, neither.

Hajin: How about something like this?

Tina: That looks great!

Eri: I didn't know you were an artist!

Hajin: Hey, never judge a book by its cover.
