

Here We Go! ENGLISH COURSE **2** Unit 7-8

Unit 7 Working Together

Part 1

Tina: The Honcho International Festival is coming soon.

Eri: It's the biggest event of the year.

Tina: Yeah. It may sound crazy, but should we try a musical?

Eri: That's too difficult. I think a play is easier than a musical.

Tina: I guess you're right.

Eri: Let's write an original script. The theme is friendship. Any good ideas for the story?

Tina: I want to try a science fiction drama.

Eri: Sounds fun.

Tina: Let's try mapping. It's the best way to come up with good ideas.

Part 2

Tina: Look, everyone! The script for our original play.

Eri: I hope you guys like it.

Tina: Kota, you're Jonathan, the main character.

Eri: Hajin, you're F15. You're an android.

Hajin: What?!

Eri: The story takes place on a spaceship. It's a science fiction drama!

Kota: I thought it was about school life.

Tina: Yes, but a school in space is more exciting than a normal one.

Kota: I don't know about that

Eri: Don't worry, we have time to prepare.

Tina: Teamwork is the most important thing, everyone.

Part 3

The students are rehearsing their play:

Eri: Kota, you blew your lines again!

Kota: Sorry, but there're too many lines. I can't remember them.

Eri: OK, let's do it again.

Hajin: Let's take a break. Kota is overworked.

Eri: We all are as tired as Kota, but we need to do it again now! Kota needs more practice. You too, Hajin.

Hajin: We're trying as hard as anybody else. Maybe the script is the problem.

Eri: What did you say? Maybe your acting is the problem.

Hajin: What?

Tina: Hey, calm down, you two.

Unit 8 Performing a Play

Part 1

The day after their argument:

Kota: Hajin's here!

Hajin: Hi.

Tina: Kota, I want you to help me. Come on! We need chairs.

Kota: What? But there are chairs here.

Tina: You know, different ones Come with me!

Tina pushes Kota out and they leave the room:

Hajin: Sorry about yesterday. I didn't mean it ... about your script.

Eri: I understand. I'm sorry, too. I was too hard on you.

Hajin: That's OK.

Eri: I really think we can be great if we try our best.

Hajin: Yes, I'll do my best. I promise.

Eri: Thanks, Hajin. You're a good friend.

Part 2

Ten minutes before the performance:

Kota: Tina, I can't find my space suit!

Tina: Don't worry. Eri is fixing it. Last-minute preparation.

Eri: Here's your suit, Kota.

Kota: Thanks! I thought I lost it.

Hajin: Hey guys, look. So many people in the audience!

Kota: Wow. That makes me nervous.

Hajin: Don't worry, we'll do fine.

Tina: Actually, I'm a bit nervous but it makes me excited, too.

Eri: OK, get ready, everyone. We're on in five minutes.

Part 3

After the performance:

Tina: We did it!

Hajin: Yeah!

Eri: It was well received by everyone, I think.

Kota: I'm so glad it went well.

Eri: Hajin, do you have a second?

Hajin: Sure. What's up?

Eri: I have something for you. Happy Valentine's!

Hajin: For me? Wow! It's a spaceship!

Eri: It's our spaceship. It's made of chocolate. I hope you like it.

Hajin: I love it! Thanks. I'll keep it as a treasure.
